Promo Globe³ est une entreprise Québécoise qui offre des services et articles promotionnels. À partir de notre entrepôt en Chine, nos employés excellent à trouver, directement des manufacturiers, les produits qui satisferont vos besoins. Nos employés sur place s'assurent aussi de la qualité des items avant l'expédition.

Depuis plus de 10 ans, nous excellons à nous approvisionner en Asie en éliminant les intermédiaires.

Nos spécialités: tentes, drapeaux publicitaires (beach flags), roll up, structures gonflables personnalisées, des sacs recyclables et tout autre article promotionnel. À partir de nos installations au Québec, nous offrons un service personnalisé en matière de gestion des demandes, de design, de la logistique et de la gestion d'inventaire. En combinant un service personnalisé nord-américain et une production asiatique de qualité à faible coût, Promo Globe³ se démarque de la compétition afin de procurer à sa clientèle les bénéfices suivants :

PRIX IMBATTABLES

Réduction considérable des coûts

Gestion complète de la logistique de transport et douane
